

Arvit 9 Av

On the evening of 9 Av and in morning only one door of the synagogue is opened.
 On the evening of 9 Av and in morning the copper candlesticks of the Tebah and the Heichal are removed, and if not possible, covered with back covers. The middle part the Heichal is covered with a black Parochet (during the year there is no Parochet).
 All ornaments of the Sefer Torah are black.
 On the evening of 9 Av candles are only lit on the benches, and only where congregants are sitting.
 On the evening of 9 Av and in morning we are not sitting on the floor, we change places. Only the Chazzanim sit on a low bench on the Tebah.

Chazzan without **Tallit**.

Usually 2-3 chazzanim divide the kinot and Eicha between them. Chazzanim sing with a dark (low) voice.

Recordings:

NN, **tape 13** minute 7:09 & **tape 14** minute 4:04
